Kempe Engineering is an Australian based company with 16 permanent facilities located in close proximity to our clients operations nationally in Australia (refer website www.kempe.com.au).

Kempe has opportunities in Victoria (Melbourne & Geelong), Queensland (Brisbane) and in the Pilbara region in WA Kempe has a maintenance contract arrangement with Rio Tinto Iron Ore and we are currently recruiting to employ suitably qualified candidates to fulfil vacancies in these regions.

All suitably qualified and experienced candidates will be considered. Kempe Engineering will also consider sponsoring applicants under the TSS 482 Visa Sponsor Program.

Salary ranges will vary dependent on the role and location but will be between \$70,000 and \$100,000. For positions in the Western Australia Pilbara region there will be remote area allowances and uplifts.

Our company is committed to ZERO HARM in the workplace and continuous improvement of our occupational HSE systems and performance by focusing on the safety culture of our workforce with a strong focus on improving internal targets. This is a great opportunity for trade qualified Fitter-Welders, Boilermakers, Hydraulic Technicians and Mechanical Fitters.

To apply for this role please forward you current CV along with your current certificates and licenses to gordonh@kempe.com.au.
