

## FITTERS (HYDRAULIC / FLUID POWER TECHNICIANS) KARRATHA, WESTERN AUSTRALIA

### THE COMPANY

Kempe Engineering is an Australian owned company with 16 permanent facilities located in close proximity to our clients operations nationally in Australia (refer to website [www.kempe.com.au](http://www.kempe.com.au)).

Our company is committed to ZERO Harm delivering exceptional performance to our clients. As an essential service provider, we offer continuity of employment including career development into leadership & management roles.

### THE ROLE

Kempe Engineering is currently seeking to employ Fitters (Hydraulic / Fluid Power Technicians) to work in the Pilbara region of Western Australia. As part of this role you will be expected to work on client mine sites doing maintenance and sustainable capital works.

### SKILLS

- Using testing equipment to diagnose, repair and maintain fluid power components and systems
- Fault diagnosing and performing operational maintenance, overhauling, repairing mechanical parts and fluid power equipment
- Diagnose and recommend solutions to fluid power and engineering problems
- Accurately and effectively identify and repair fluid power components such as pumps, cylinders, valves, reservoirs, motors, accumulators, hose fittings and filters
- Safely, effectively and accurately perform all types of maintenance on fluid power equipment to a high standard
- Read and interpret hydraulic schematics
- Tube and pipe installation experience preferred (not essential)
- Competent in TIG and MIG welding

### QUALIFICATIONS & EXPERIENCE

- Recognized trade qualification in Fitting or equivalent, with high level of hydraulic technical experience
- Fluid power post trade training or relevant industry experience
- Minimum of 5 years' experience working on sites either heavy industry or mining
- Meet ZERO Harm culture and behaviours
- Experience in leadership
- Ability to successfully pass a pre-employment medical and present fit for work
- Experience in hydraulic hose assemblies, tube manufacture and installation
- A current driver licence

All suitably qualified and experienced candidates will be considered. Kempe Engineering will also consider sponsoring applicants under a 482 or 494 Visa or Visa transfer. Salary range will be between AUD \$ 80,000 and AUD \$100,000.

To apply for this position forward your resume and trade certificate, current license and any relevant qualifications to [debrar@kempe.com.au](mailto:debrar@kempe.com.au)
